

# LEARN TO RIDE LEVELS

## ABOUT THE PROGRAM

Both Nancy Bielecki and Victoria Forbes of SugarTide Equestrian are Licensed and Certified NCCP Competition Coaches and Equine Canada (EC) Learn to Ride (LTR) Level Evaluators.

EC's Learn to Ride is a great program for people of any age interested in learning how to ride a horse. This program was developed in accordance with the Long-Term Equestrian Development (LTED) framework which provides a clear and stage-appropriate pathway for success for instructors/coaches and students, ensuring a safe environment for all involved, including our equine partners.

In Alberta the LTR program is overseen by the Alberta Equestrian Federation, and requires candidates to apply to undergo level assessments at appropriate facilities with appropriately certified instructors such as those found at SugarTide.

Should you pick us for your journey down the LTR pathway, we will happily help you submit the appropriate applications, help you to determine what levels would be appropriate for you to undergo or challenge, and work hand in hand with your coach to help you reach your desired outcome. We offer both study sessions and assessments in a low stress, well kept environment with appropriate horses and equipment for LTR levels 1-8.

**Are you a coach undergoing the licensing and/or certification pathway? Get in touch to ask about our video and document packages for electronic submission or practice sessions for in person evaluation. We offer our facility, students, and the expert design and camera work of A Moose and A Fox Productions.**

## RATES AND PACKAGES

**LEVEL  
75.00**

Each level has a written test, a stable management portion, and a ridden assessment. Our level packages include use of our horse and facility as well as document submission.

**MULTI  
LEVEL  
85.00**

Challenging a level? This means you will write the written tests up to and including the challenged level and then undergo the riding and stable management for only the challenged level.

**STUDY  
SESSION  
35.00**

Need help preparing for a level assessment? We offer lecture and hands on prep sessions for the written and stable management portions.

**LUNGE  
VIDEO  
100.00**

We offer appropriately trained horses to help you accomplish your lunging submission for coaching certification alongside expert quality filming and production.

**LESSON  
VIDEOS  
250.00**

This package includes our facility, horses, students, and film production of for your lunging, equitation, flat, and jump lessons that are required for your coaching certification.
